AEM MEMBERSHIP INFORMATION

- Companies who exhibited in ICUEE 2009 as AEM members must be current in their membership for 2008 and must be members in good standing for 2009.
- Companies joining AEM after ICUEE 2009 must have at least 2 years of membership dues paid in full prior to the Exposition.

Dues monies prepaid for future years to qualify a company for ICUEE 2009 participation are non-refundable.

- Companies joining AEM after 2007 who did not begin operation or were ineligible for membership until after that date are required to pay dues only from the starting date of operation or the date the company became eligible for membership.
- Please contact the Association of Equipment Manufacturers' Membership Director at 414-298-4153 for more information.
- ONLY EQUIPMENT WHOSE SALE IS UTILIZED AS PART OF THE TOTAL SALES VOLUME WHICH DETERMINES THE AEM MEMBER'S DUES CATEGORY MAY BE EXHIBITED using the space rate for members. A member exhibiting qualifying products which are not used to determine the member's dues category may be exhibited, except that if such products occupy 50 percent or more of the exhibit space, the non-member space rate will be charged for the entire exhibit space. Qualifying products or services include:

EXHIBIT SPACE RATES	INDOOR Equipment Rate 600 SF minimum	INDOOR Standard	OUTDOOR (10,000 SF or less) 1,000 SF minimum	OUTDOOR (10,001 SF or more)	Ride & Drive

PAYMENT SCHEDULE

Checks for exhibit space must be made payable to ICUEE 2009, and must be in U.S. funds or a draft drawn from a U.S. bank. Credit cards are not accepted for exhibit space payments. The following payment schedule must be followed:

50% of total cost of space **due upon application**
 Balance of the total cost of space **due May 30, 2009**

- Applications received prior to May 30, 2009 must be accompanied by 50% of the total cost of the exhibit space.
- Applications received on or after May 30, 2009 must be accompanied by the full payment for the exhibit space.

SPACE REDUCTION POLICY

- Any company decreasing its space before June 1, 2009 must pay at least the 50% deposit of the original space, regardless of the new space cost. If the new space cost is less than the original 50% deposit, the exhibitor will not be refunded the

difference between the new space cost and the original 50% deposit. Overpayments beyond the 50% will be refunded if the reduction occurs before June 1, 2009.

- Any company reducing its space on or after June 1, 2009 will not receive a refund.

CANCELLATION POLICY

- At no time will the deposit (50% of space cost) be refunded to an exhibitor canceling its space.
- Any company paid in full canceling its exhibit space before May 30, 2009 automatically loses the initial 50% deposit. The remaining balance paid to ICUEE will be refunded.
- Any company canceling its exhibit space on or after May 30, 2009 will not receive any refund due to the late date in which Exposition Management was informed of the cancellation.

NATURE OF SPACE ASSIGNMENT

The assignment of space to an exhibitor is not to be construed as a leasing of property. It is merely the granting to the exhibitor of a license to enter upon the designated space for the sole purpose of exhibiting products in conformity with these Rules and Regulations and subject to the terms of certain leases between the KEC as lessors, and Exposition Management, as lessee, for the period of ICUEE 2009.

ASSIGNMENT OF EXHIBIT SPACE

PRIORITY FORMULA

The Priority Formula is used in a number of matters including the assignment of exhibit space. It is as follows:

$$\text{Years of Membership} + \frac{\text{Total SF in 2007 Exposition}}{X2} = \frac{\text{Priority}}{100} \text{ Number}$$

DEFINITION OF MEMBERSHIP NUMBER

Exposition Management chooses the company/division with the greatest number of years in AEM. An exhibitor must be a current member in good standing of AEM in order to have its years of membership used in calculating the membership number.

DEFINITION OF PAST PARTICIPATION NUMBER

Exposition Management uses the total square footage purchased by an exhibitor for ICUEE 2007. If a company acquired another company(s), the parent company can use the newly acquired company(s) space.

All exhibit space assignments will be made by the ICUEE Sales Manager. Every attempt will be made to accommodate exhibitor space requests. Exposition Management will take into consideration an applicant's size requirements and product type. The first assignment of exhibit space priority will be based on the above mentioned priority formula. The ability to meet an exhibitor's request for a specific location will be based on the availability of space within the product concentration area at the time of receipt of the signed application and deposit. Every effort to accommodate an exhibitor's request for a particular product concentration area will be made by Exposition Management.

The first assignment process is as follows: all past ICUEE 2007 exhibitors will be assigned by priority number first, all other exhibitors returning their application and 50% by August 15, 2008 will be assigned by priority second. Applications received on or after August 15, 2008 will be assigned on a first-come first-serve basis.

No applicant will receive an assignment of space unless the application is signed and payment has been received based on the following schedule:

- Applications received prior to May 30, 2009 must be accompanied by 50% of the total cost of exhibit space.
- Applications received on or after May 30, 2009 must be accompanied by full payment of exhibit space.

Exposition Management will make every attempt to accommodate every request for space, including the preferred product concentration area and stand dimensions. In the event that all of the available space has been assigned, a waiting list for space will be kept. When an opening becomes available, exhibit space will be assigned based on the date the application was received.

GROUND ENGAGING AREA REQUIREMENTS

Area K, the digging area, is designated solely for the exhibitors who show their equipment actually digging in the earth, and for those who need to have products demonstrated within an underground excavation. Sole static displays are not allowed in Area K. Exhibitors must operate their equipment at least three (3) hours per show day in order to be assigned in Area K.

Exhibitors whose products are not used for digging, ground engaging or whose products are not used underground will be allocated exhibit space in the indoor or other outdoor exhibit areas.

EXHIBIT SPACE SIZE

Space requests may be made in 10-foot increments with a minimum requirement of 100 square feet (Example 10 X 10, 10 X 20, etc.). Outdoor exhibit space requests have a minimum of 1,000 square feet.

SUB-LEASING OF EXHIBIT SPACE

The exhibitor agrees not to reassign, grant, sublease or license the use of space, or any part thereof allotted to them. Exhibitors are not permitted to display separately in their space any equipment, components or products built by non-exhibiting manufacturers or other non-qualifying divisions of exhibiting manufacturers (hereafter "non-exhibiting manufacturers"), unless the space shared is with a member of good standing of one of the principal sponsoring associations.

If a component made by a non-exhibiting manufacturer is normally furnished as an integral part of the equipment being exhibited, the exhibitor of the equipment may include the component but cannot call any special attention to it. If equipment made by a non-exhibiting manufacturer is normally furnished as an integral part of the component being exhibited, the exhibitor of the component may

include the equipment but cannot call special attention to it. (Please see "AEM Membership Information" for rate clarification on page 2.)

SHARED EXHIBITS

Exhibitors must notify Exposition Management of their intent to share their allocated space. If an exhibitor does not notify Exposition Management, Exposition Management will take action described under the "Penalties For Violation of Exposition Rules".

EXHIBITS

Exhibits are permitted only in the official exhibit areas of the ICUEE 2009 Exposition.

NO OTHER EXHIBITS

ICUEE 2009 exhibitors will not exhibit or participate in any exhibit within 100 miles of Louisville during the period of the Exposition or product demonstration hours.

STORAGE AND PACKING MATERIALS

The storage of packing boxes, crates, etc. for the duration of the Exposition is included in the space rates. Proper identification tags will be available at the Freight Desk. Two (2) of these tags must be attached to each piece to be placed in storage. All flammable packing materials such as paper, straw, etc. must be totally enclosed in containers. Materials not complying with these requirements will be considered refuse and disposed of by the cleaners.

UNOCCUPIED EXHIBIT SPACE

Should an exhibitor's space remain unoccupied after 5:00 pm on Monday, October 5, 2009 or should the exhibitor fail to make payment in full by the invoice date of the final payment, Exposition Management reserves the right to resell the previously assigned exhibit space to another exhibiting company or utilize the space as it may see fit.

RELOCATION OF EXHIBITS

Exposition Management reserves the right to alter the location of exhibits as shown on the official floor plan, if deemed advisable and in the best interest of the Exposition.

Permission granted for such a request will only be valid for the time period of two (2) hours prior to the opening of the Exposition and two (2) hours after the closing of the Exposition.

EXHIBITOR ADMITTANCE DURING NON-EXPOSITION HOURS EXPOSITION INSTALLATION

Exhibitor personnel are allowed to enter the exhibit area during installation only if they are part of the crew assembling the exhibit

area and are identified with work passes obtained from Exposition Management.

Exposition Management will take immediate and firm steps to remove anyone from the exhibit floor who is not entitled to be there in accordance with Exposition Rules. All spouses and guests must register for the Exposition. This action will be particularly prompt in the case of children under the age of 18 who are brought into the Exposition during non-Exposition hours. Spouses, guests and all labor personnel who are employees in the business and are at the Exposition to assist in set-up, dismantle, or work the stand, must register as an "Exhibitor".

CHILDREN

Under no circumstances will children under 18 years of age be permitted onsite during the installation and dismantling periods. During Exposition hours, children under 18 years of age will be allowed in the Exposition only under the supervision of an adult who is registered to attend the Exposition.
